Status update for IP Office R6 Maintenance Release

Avaya wish to provide an update to the scheduled release of the IP Office R6 Q2 2010 Maintenance Release.

During the test and trial phase of this Maintenance Release a small number of issues have been identified. In the interest of continually improving quality for our customers and Business Partners, Avaya have extended the IP Office R6 Q2 2010 Maintenance Release GA schedule.

A further update containing the revised release schedule will be issued shortly.
